Civil Action No. 05-0010

Plaintiffs,

v.

L&T INTERNATIONAL
CORPORATION,

Defendant.

DECLARATION IN SUPPORT OF
PLAINTIFFS' OPPOSITION TO
DEFENDANT'S MOTION FOR
SUMMARY JUDGMENT

I, MARLOU C. ARANDA, hereby declare as follows:

1. I am over the age of eighteen years old, have personal knowledge of the facts set forth herein, am competent to testify as to these facts if called as a witness in a court of law, and if called would testify as stated herein.

2. I am a citizen of the Republic of the Philippines. I was hired by L&T International Corporation as a nonresident contract worker, to work in the position of Hand Packer in 2004.

3. On or about February, 2004, I went to L&T to apply for an advertised job vacancy for hand packers. After filling-up and turning in the application form, I was told that L&T will call me for further information.

4. After about two weeks, an L&T personnel who identified herself as Baby Lopez, called me up for interview. When I reported to L&T, a certain Cory Quing and Amy Tse conducted the interview.

and Health Certificate Fee)

5. After I passed the interview, Baby Lopez asked me to complete the Consensual Transfer documents and have my employer complete and sign them, which I did. I gave the completed consensual transfer documents to Baby Lopez at the HR office. Baby Lopez then asked for and I gave her my health certificate which she noted had not yet expired. She told me that L&T would use my health certificate from my then employer.

II.
CONTRACT SIGNING

6. My first non-resident contract was in 1990. Basically, annually since then, each year, my employers used and had me sign a standard form labor contract provided by DOL. I became familiar with the basic terms of the DOL standard form contract. A copy of such standard form contract is attached as Exhibit "2" to Plaintiffs' Verified/Amended Opposition.

7. In 2004, when L&T HR staff Baby Lopez handed me their contract form, with only the signature page showing, and insisting that I sign, I had no reason to believe it was not the standard DOL form contract. Prior to signing this L&T contract form and at the time it was presented to me in the HR for signing, I was not given an opportunity to read the contract before signing it. When it was presented to me in the HR office, Baby Lopez just pushed the document through the counter-window with the pages turned back, showing only the signature page,

1 and pointed to where I was to sign it, and said sign, which I did without reading
2 it. There were many other applicants present and waiting in line. The HR staff
3 was rushing me and other applicants by insisting that I and the other applicants
4 I saw present, hurry up and quickly sign, without delaying the document
5 processing. From the mood and way the HR staff was acting, I was made fearful
6 that if I didn't just sign the signature page as instructed, I would lose the job
7 opportunity especially since none of the other applicants I saw there held up the
8 line by or took time to read the contract document. I observed the HR staff
9 acting the same way with other workers who signed before and after my turn.
10 Neither Baby Lopez, nor any one else, ever showed me my contract document
11 until the time and date they asked me (us) to sign at HR. I was never given a copy
12 of the L&T contract document I signed before my termination on or about May
13 13, 2004. After my termination, I was surprised when I later learned of some of
14 the things and terms in L&T's self-styled contract. Had I known that the L&T's
15 self-styled contract contained terms restricting me from being employed
16 with other competing companies in Saipan and allowing L&T to terminate
17 me at any time as a reduction in force, I would not have agreed to it or
18 signed it.

19 III.
20 PERFORMANCE EVALUATION

21 8. There was no individualized measurement or testing to determine my or each
22 Packer's individual performance or production. The only production
23 measurement or test was done by counting the output (production) from each of
24 the different lines of Packers. There was really no way for me as an individual
25 packer to control or show an increase in the number of products because I was

1 just one individual on the line with many others. In the packing section our work
2 was performed by groups of workers on so-called lines. The packages or items
3 we were assigned to work on often varied from day to day. Our Head
4 Supervisors in the packing section were Li, Zhi Min, Wu, Duan Huai, and Cao,
5 Li Qun, who are Chinese. When I and other Filipino workers tried to ask them
6 questions regarding our work they could not answer nor explain because they do
7 not speak English fluently. (*See* Defendant's Response to Plaintiffs' First Set of
8 Request for Interrogatories No. 49a).

9
10 IV.
TERMINATION

11 9. I was employed and worked for L&T International Corporation as a hand
12 packer, from on or about March 2004 to May 13, 2004, when I and other workers
13 in the hand packing section were summoned by the calling of our individual
14 names over the public address system, to report to the human resources (HR)
15 office. I believe and understand we were called in two batches, one about 3:00
16 p.m., and one about 5:00 p.m. (*See* Deposition of Jack Torres, page 97, lines 14-
17 17).

18 10. I did not know why we were being called to come to Conference Room. I
19 thought that we were being called regarding receipt of our anticipated ATM
20 Cards that L&T had previously given us and had us fill out an application for, as
21 they told me and other workers present, to make it easier and more convenient
22 for (us) workers to access and get our anticipated bi-weekly wage payments
23 without having to stand in line waiting for and trying to cash payroll checks. I was
24 made more assured of my continued employment and anticipated pay check by

1 L&T having asked me and other workers to set up these ATM accounts to
2 facilitate our anticipated payroll check payments.

3 11. As we arrived at the designated meeting room, I observed other workers,
4 and Corazon Quing, Malou Ernest and Rhodora Bernabe, known to us as HR
5 staff, were present at the May 13, 2004 meeting.

6 12. I did not see or hear Corazon Quing read or reading from any document or
7 the so-called "communication plan" as described and stated in Exhibit "A"
8 attached to the Declaration of Corazon Quing.

9 13. More specifically, I (we) were not told as stated by Corazon Quing that we
10 the workers, had the right to appeal our termination to the "Legal Department"
11 of L&T or to any one else.

12 14. Neither Malou Ernest, Corazon Quing nor any one else at the May 13, 2004
13 meeting, informed us, that the purpose of the so-called second check was "to
14 cover for 10 days pay in lieu of notice," as stated in paragraph 7, Declaration of
15 Corazon Quing. Additionally, L&T's own RIF policy required, as proposed RIF
16 workers, that I (we) "shall be given written notice of separation at least 15 days
17 prior to the effective date of separation, or severance pay in lieu of notice." (*See*
18 Ex. "D," Jack Torres' Deposition, and page 88, lines 6-8 and lines 20-24).

19 15. It was my honest belief that I and my co-workers were terminated on May
20 13, 2004 and that the termination was effective immediately on and from May 13,
21 2004, because I (we) were told by HR staff at the May 13, 2004 meeting that today
22 (May 13, 2004) was our last day of employment and they demanded that we give
23 up and turn in our company ID cards which were required and needed for
24 company employees to freely enter company premises; and more importantly, our
25 I.D.s were swipe-cards for the time-clocks so we could not clock in or out

1 without them, in addition to being required to "turn over any and all company
2 properties in your possession... on or before May 13, 2004" as stated in the Notice
3 of Termination. *See* Ex. "D," Defendant's Memorandum.

4 16. As a result I believed and felt that I was terminated and forced to stop
5 working on May 13, 2004, the same date that the Notice of Termination (dated
6 May 12, 2004) was given to me. Hence, I was not given the required prior notice
7 of termination and/or of the RIF.

8 17. I and the other plaintiffs worked a set work schedule and shift, and worked
9 Monday through Saturday, seven (7) hours a day, six (6) days a week, for a total
10 of forty-two (42) hours each work week, which included two (2) hour overtime
11 each work week while employed at L&T.

12 18. At the time of my termination, no one from L & T offered to assist me in
13 finding other employment or told me that they would or could assist me in getting
14 work with affiliate companies of L&T.

15
16 V.
EMOTIONAL DISTRESS

17 19. When I was hired by L&T in March, 2004, I was elated and so happy telling
18 my relatives and friends about my excitement at being employed with a big and
19 secure company.

20 20. My happiness, however, was short-lived as I and my co-workers were
21 terminated by L&T after working for only two (2) months, more or less. L&T
22 never explained why I and the other Plaintiffs could not have been allowed to
23 work to the end of the contract and not renewed. I became very emotionally
24 upset and disturbed as a result of the termination of my employment at L&T.

1 The way L&T broke the news of termination to us, not individually or privately,
2 but *en masse* in front of all the other employees, resulted in wailing, crying and
3 shouting and pandemonium among the workers present; I and the other workers
4 present were crying and hugging each other and trying to console one another.

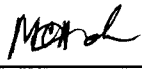

5 21. When I arrived home on May 13, 2004, I broke down and was crying
6 hysterically and uncontrollably and could not sleep. As a result, my demeanor and
7 routine changed. My anxiety increased, I constantly looked depressed and spent
8 increasingly more time calling my parents, friends and relatives especially in the
9 Philippines talking about my termination and I would then break into hysterical
10 and uncontrollable crying during these telephone conversations. For months, I
11 was fixated on the termination incident and became irritable, hostile and
12 aggressive and especially in my attitude and relationship with my boyfriend and
13 father of my kids. It became the focus and topic of conversations with relatives,
14 friends and acquaintances. As a consequence, my family and personal
15 relationships were strained or destroyed.

16 22. As my severe emotional distress was mounting, I spent more and more time
17 watching T.V. until 2 or 3 a.m. trying to fall asleep, but even then when I came to
18 bed I was irritable and restless. I used to be, prior to the loss of my job with L &
19 T, loving and tender in bed with my boyfriend, but that changed even until now.

20 23. The sudden change in me negatively affected my relationship with my
21 boyfriend. I was in severe emotional distress, great pain and sorrow that I had a
22 miscarriage on September 9, 2004. I used to be caring for my family, especially
23
24
25

1 for our children before I was terminated. After the loss of my job at L&T, I easily
2 lose patience with and am quick to yell and shout at the kids and my partner until
3 now. I notice and feel that I am not the same person before and after the loss of
4 my job at L&T.

5 I declare under penalty of perjury that the foregoing is true and correct and
6 that this declaration was executed this 26th day of September, 2006.
